

About Our Mechanical Candles

Cleaner-looking, less mess, no candle breakage, and you don't end up with many different candle heights and candles burning unevenly!

Come in 4 sizes as a hollow candle tube with a screw-in base. A spring inside pushes a short smaller candle up to the top.

Should be returned wax-free.

8" burn-time 2.5-3 hrs
12" burn-time 3.4-4 hrs
15" burn-time 5.5-6 hrs
18" burn-time 3.5-4 hrs
